Issue: Summer 4
Tuesday 23rd July 2024

GOODBYE

Welcome to our last newsletter of this term. It has been so enjoyable to end the year celebrating Tottenham's 100th birthday, as I retire after 39 years of teaching, 22 spent at Tottenham.

I hope you had the chance to visit our exhibition of artefacts from the past. Teaching certainly has changed, as has the role of Headteacher. It has been my greatest pleasure to lead the school since 2013, alongside a team who are passionate about making a difference to our young children. I am sure the school will continue to "Be the best you can be" under the leadership of Zaheen.

Thank you to all the families for their generous gifts and warm wishes on my retirement. I have appreciated all of your support and wish you all the very best for the future. Have a great Summer too!

From Sian

ECO TIP

Grow your own food

Learning to grow your own favourite vegetables and fruits is a great way for children to connect with nature as well as decreasing our carbon footprint.

Good Luck

We want to wish good luck to all our year 2 children who are leaving us this term to move into year 3.

You have worked incredibly hard during your time at Tottenham and we wish you all the best with your new school.

Year 1 and 2 Only
Wednesday 4th September 2024
8.45am

Tottenham Road, Palmers Green, London N13 6HX Tel: 020 8829 1100

Headteacher Mrs Sian Mainwaring • **Deputy Headteacher** Mrs Zaheen Younis

Capel Manor Zoo

Reception had a fun day at Capel Manor Zoo. They handled some exotic pets and had fun with the goats, who were very cheeky.

After lunch the children had the opportunity to explore the grounds of Chapel Manor and look at the variety of plants and flowers.

For nature, sport and discovery

Year 2 enjoyed their trip to Lee Valley. They have been learning about mini beasts and had a taught session at the venue. They explored the environment and took part in pond dipping and a bug hunt. The staff were very impressed with the knowledge the children shared during the day.

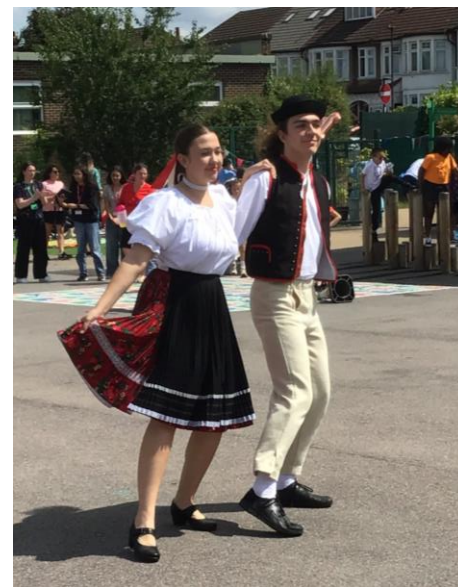

International Family Picnic

Thank you to all the families that attended the picnic last week. We were very lucky with the weather and it was wonderful to see the amazing dancing from the children. Everyone made a really good effort to represent their country. Sian really enjoyed spending her last family event with you all.

MOVIE Night

We hope the children enjoyed Movie Night including the snacks! The money raised will support the school with improving provision.

Well done to the children who achieved 100% attendance certificates.

Bear class achieved the best class attendance for the year at 96%.

Please ensure your child has good attendance so that they don't miss any learning.

Well done to our Rock Steady Band who performed for the school and their families last week. Thank you to Harriett the Rock Steady leader.

Funday

After all the hard work and to finish off the year it was time for us all to relax and have fun. Thank you to Angela for organising the day.

Lunch break

We will be having a new catering company in September. We are still waiting for them to finalise the menus, once this is done the menus will be emailed to parents and carers.

GRADUATION DAY!

Our nursery children have done so well this year and were proud of their achievements on their graduation day.

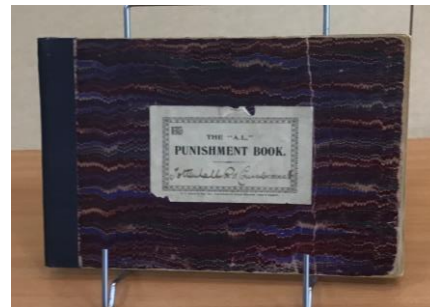

For Art Day this year we focussed on the artist Paul Klee. Paul Klee was a Swiss-German artist. He was one of the most famous painters of the 20th century. We crated our own art work in the style of Paul Klee using vibrant colours and shapes.

If you are interested in seeing some art during the holidays please do try and visit The National Gallery. It is free to enter and you can see original works by famous artists such as Vincent Van Gogh, Claude Monet and many more artists.

This Week we celebrated our 100th anniversary. The original school was built in 1916 and used as a auxiliary war hospital until 1923. It opened as Tottenham Infant School on August 27th 1924 with 99 pupils, shared between 2 classes.

Thank you to those who attended the exhibition. I am sure you found the historical records and photographs fascinating. The punishment book shows how times have changed with managing behaviour in schools, thank goodness for that!

Miss Roberts (Sian) from 1924 did assembly and showed the children some games from the past. It a good job everyone was on their best behaviour and did not need to go in the punishment book.

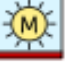

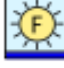

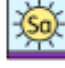

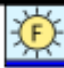

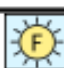

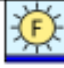

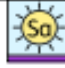

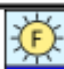

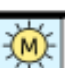

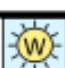

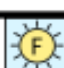

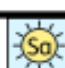

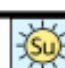

Well done to the staff!

To celebrate our 100th anniversary we dressed up from different times in the past.

Back to school on Wednesday 4th September

✓ Tick off the days of the week until it's time to come back to school.

Saturday 28 September 4:00-5:30pm

St James Muswell Hill, St James Lane, N10 3DB

£10 - Book www.pathwayonline.co.uk

Refreshments available to buy.

Summer Health Checks

A Reminder For Parents & Carers

As we are all aware the summer holidays are approaching, less than 1 week away!
Summer holidays are an ideal time to catch up on the essential health check-ups for your children.

Dental

All children should have a regular check-up. The dentist will advise how often, depending on how good your child's oral health is. A check-up allows the dentist to see if your child has any dental problems and helps keep the mouth healthy. NHS dental care for children is free.

Brush teeth twice daily for about 2 minutes – last thing at night before bed and once during the day with fluoride toothpaste to help prevent and control tooth decay. Do not rinse after brushing, just spit out. If you rinse, the fluoride won't work as well.

Asthma

If your child has a diagnosis of asthma, an annual asthma review with your asthma nurse or GP is very important.

The review is a routine appointment where your child will be examined to ensure that they are being prescribed the correct medication to keep the asthma attacks under control.

You are also able to talk about your child's asthma and ask questions i.e., symptoms, triggers and medicines. You can also talk about asthma attacks and how to reduce them.

Immunisations

If your child is of school age, please contact *The School Aged Immunisation Service*.

The School Aged Immunisation Service administer vaccinations in schools and hold catch up clinics for children who have missed any immunisations.

Pre-School Boosters contact GP
Flu (rec to yr 11) in school & catch-up clinics
HPV & MMR (yr 8) in school and catch-up clinics
MEN ACWY, Diphtheria, Polio, Tetanus (yr 9) in school and catch-up clinics

020 4553 3890

northmid.enfieldimmunisationTeam@nhs.net

Vision

Free NHS sight tests are available at Opticians for children under the age of 16 years and for young people under 19 in fulltime education.

Eye checks are important. Children may not realise they have a vision problem, so without routine tests, there is a risk a problem may not be spotted. This may affect their development & education.

If you require any further information or support from the **Enfield School Nursing Team**, you can contact them on:

020 3988 7300
