

Year 1 Curriculum Overview for Parents Autumn Term 2024

English

In literacy the children will be looking at stories with predictable phrasing and using this to retell the story using full stops, capital letters and finger spaces. Children will learn to discuss what they have written with their peers and adults within the class.

We will be teaching phonics for reading and writing during daily phonics lessons.

Children will be learning to write in cursive letter formation using the Letter-join script.

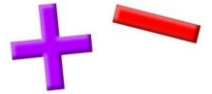

Please continue to read with your child as well as practising the sounds and words of the week.

Maths

During Mathematics the children are expected to count to 100 forwards and backwards.

They will also be able to read and write numbers to 20 in numerals and words.

We will be teaching the children to recognise and name common 2-D shapes.

We will also be interpreting mathematical problems involving the operations of addition (+) and subtraction (-) and also using the equals sign (=).

This will lead into children adding and subtracting one and two digit numbers to 20 and beyond.

Year 1 Curriculum Overview for Parents Autumn Term 2024

Computing

Children will be learning how to use the computer safely and learn how to sort objects and present information. By the end of the Autumn term the children will be introduced to coding through the use of simple instructions.

Science

Ourselves and Seasonal changes.

They will be looking at their senses and which parts of their bodies are associated with each sense. We will also be learning about the changes that occur during the different seasons focusing on Autumn this term and the effects it has on our environment, on the climate and the wildlife. This will be revisited later in the year to enable comparisons to the other seasons.

Geography

In Geography we will be learning to use simple observation/fieldwork skills to study the immediate surroundings in the context of pupils own locality. We will also become familiar with and follow compass directions, recognise a range of map symbols and understand their use.

Creative development.

Art:

In art children will be looking at a range of artists such as Andy Warhol, Anthony Gormley and Vincent van Gogh. They will explore the techniques used by the artists to create their own art work through sculpture and print.

Physical development.

In gymnastics we will be developing our control and coordination through travelling. We will be applying our skills to create a sequence of movements linking at least two or more movements.

In dance we will be exploring Indian hand gestures to make a dance. In games we will be developing our ball skills through bouncing and catching.

PSHE

We will be learning about friends, kindness, getting along, sharing and taking turns.

RE

We will be learning about Christians and what they believe. We will also be learning about Muslims and what they believe.

Homework

Home learning will be set weekly and given out on Fridays via e-mail. Home learning will include a topic task, reading, phonics, spelling and Mathletics. Children must complete tasks by Thursday and hand their home learning journal in.

Read with your child every day.

Children will be given a home reading book and a library book once a week.
